

## ADEConnect Roles for AzEDS

**Note:** LEAs that have not switched to AzEDS should still configure their [ADEConnect](#) to allow them to access the Student State ID Search application that has replaced the SAIS ID Number Search.

### Setting Up ADEConnect

To set up ADEConnect, contact your Entity Administrator. To view a list of entity administrators, log into ADEConnect at <https://home.azed.gov/Portal/>.

The screenshot shows a web form titled "[-] Arizona Department of Education" with a sub-header "Administrator Contact". The form has two columns: "Administrator" and "Contact Info". There are three rows of data:

Administrator	Contact Info
Users	qa.users@test.com
entitvadmin3 emailtest	entitvadmin3@emailtest.com

A red "X" icon is visible in the top right corner of the form, indicating a close button.

- Click **Administrator Contact** to view a list of administrators.
- Click **X** to close the contact list.
